

## NEW 180° Bolt-on 4D adjustable hinge

BOLTONHD-4D- (Patented)

180° hinge which can quickly be mounted without any welding being required. It offers all advantages of the GBMU4D range: vandal-proof, adjustment of height, depth and distance between gate and post, left/right interchangeable so it can be used for both left and right turning gates. BOLTONHD-4D is available in M12 and M16, and always in 2 versions: one with Quick-Fix on both sides and one with Quick-Fix on the post, and on gate side a bolt through fixing for gate frames from 40 to 60 mm.

### Color options
