

ADJUSTABLE SECURITY KEEP OUT OF STAINLESS STEEL

Item No. SH-KLQF

Stainless steel keep with polyamide finishing for all your metal, aluminium and PVC gates. The patented stainless steel anchoring system prevents pulling the gates out of the keep. The unique Quick-Fix ensures a fast and strong mounting. The adjustable, aluminium stop plate with rubber accepts different gate profiles of 40 - 60 or 60 - 80 mm width. Redesigned to make the strike accept the latchbolt easier.

- Reinforced stainless steel security keep for round and square profiles
- Stainless steel anchoring system included
- Stainless steel adjustable slam plate with shock rubber
- Easy left or right changing
- Innovative Quick-Fix mounting
- Prevents opening the gate with a crowbar
- For rectangular and round profiles
- Adjustable for gate profiles: 40-60 mm (K) and 60-80 mm (L)
